A RACING PROGRAM FOR KIDS OF ALL AGES

The Granite Peak Ski Team (GPST) was formed in 1987, as a non-profit organization, for the purpose of providing a range of fun-filled events and racing programs for all people from entry-level race training through advanced race competition. Our goal is to deliver fun, high quality ski racing programs to meet the needs of our membership.

A RACING PROGRAM FOR KIDS OF ALL AGES

If you're familiar with downhill ski racing because you've raced or have families or friends in the program, you may be familiar with most of this information. However, by the end of the season, this will all be old news and you'll be passing on new hints to the next group of new participants.

PROGRAMS

In all GPST, WIJARA and USSA programs, racers compete based upon their age and sex. Junior (J) age brackets are:

Class	Age
J1	17-18
J2	15-16
J3	13-14
J4	11-12
J5	9-10
J6	8 & Under

Classifications as determined by USSA

PHILOSOPHY

GPST members should be in an environment where they have fun. Our philosophy is to have all our programs and events complement each other.
