RE: NON-SCHOOL TRANSPORTATION PERMISSION

Dear Parents:

The Wausau East Alpine Ski Team of which your son or daughter is member is planning to compete in the _____ (title of ski race) at _____ (location) on _____ (date).

Transportation to and from this event will be provided by the use of parent’s personal vehicles.

This trip is part of our schedule and will be under the same scrutiny and supervision routinely provided for all team ski trips. However, for this particular trip the team and coaches will not be travelling by bus or school provided transportation. Therefore, in order for your child to make this trip, it will be necessary for us to have your approval in writing. PLEASE SIGN THE SLIP BELOW AND RETURN ONLY THAT PORTION TO US, PRIOR TO LEAVING.

While traveling, you can contact us by calling my cell phone at 715-571-3485, if needed.
